### Real Estate and Lifestyle Planning Guide

Your Real Estate and Lifestyle  
Planning Guide

It's our belief that real estate decisions are primarily made in response to life events that trigger significant changes in living requirements. Through our *Real Estate Planning and Lifestyle Guide*, we propose a more strategic planning process to help consumers organize their thoughts and pinpoint their real estate priorities in advance of life's ongoing changes.

The guide helps people assess their present and future lifestyles and the considerations for life stages, such as renting vs. buying, considering move-up opportunities, moving with children and pets, downsizing by design, transitioning with multigenerational and special needs family members, and staging/merchandising your home. It helps them manage the inevitable uncertainties that may cause them to change their real estate holdings, and to better prepare for the related decisions.

The guide also includes steps to identify and set lifestyle planning goals and to memorialize all in a lifestyle plan.

## About Berkshire Hathaway HomeServices Gallo Realty

Gallo Realty began as a two-person team in 1979, founded by current owners Sal & Bette Gallo. Since then, the firm has flourished, growing to over 100 sales associates, rental associates and support staff. Since 1979, the firm has strived to provide the highest quality customer service: "At Berkshire Hathaway HomeServices Gallo Realty, our goal is to exceed the customer's expectations for reliable service and professional assistance in selling, buying or renting real estate."

The majority of our sales and rental associates have lived and worked in our resort area for quite some time . . . many of whom were raised here, and others who are now raising their children here. As our growth and success have increased over the years, so has our commitment to our community, which is visible through our personal volunteerism and financial support of our local schools, charities, the arts and other organizations.
