

OUR MISSION

*In partnership
with families & churches,
Legacy Academy exists to
shape the hearts & minds
of students by entrusting them
with a Christ-centered
classical education.*

OUR VISION

*We seek to cultivate faithful
men & women who are
enriched by the heritage of the past,
engaged with diligence in the present
& endowed for their calling
in the future to the glory of God.*

“ Our kids are learning
to love what is beautiful,
think critically,
& strive for virtuous living
through their classical
Christian education. ”

*Jon & Brooke Loudon
Legacy Parents*

LEGACY ACADEMY

A Classical Christian School

*Discover
the Difference*

OUR PHILOSOPHY

*At Legacy Academy,
we believe education is formation.*

*We seek to shape who students become,
not just what they know.*

*Our teachers & parents partner together
to develop virtue & character in students.*

*We delight in beholding & discussing
truth, goodness & beauty
that point us to our loving Creator.*

*We are passing on a way of life
from one generation to another,
a legacy of education.*

CHRIST-CENTERED

*We believe God is the source
of all truth, goodness & beauty.*

*We structure our day
around the Word of God,
singing, reciting & praying
together regularly.*

*We orient our curriculum
around the gospel,
integrating all subjects
to point us to Christ.*

CLASSICAL

*We believe education should
teach students how to
think & learn for themselves.*

*We teach according to
the student's God-given aptitude,
following the Trivium
of grammar, logic & rhetoric.*

*This truly liberal arts education
will set them free
to serve God faithfully
in their future calling.*

AT A GLANCE

» *Only classical Christian school
in Sussex County, DE*

» *Low student:teacher ratio*

» *Affordable tuition
(tuition assistance available)*

» *Inter-generational house system*

» *Strong academics,
